

How to access your test results

- If you are **positive**, you will be notified of your results.
- The Hospital Online Patient portal is the fastest way to review your results. The results post there as soon as they are available for the hospital. See below to access the portal.
- If you are unable to access your results via the portal, please call the medical records department (208-265-1041) and leave a voice mail with your full name, date of birth, address, and phone number. Your results will be mailed to you the next business day.
- Please contact your ordering provider with questions or concerns regarding your test results.

Portal Access:

- To register for the first time: www.nidhealth.org/register
- For returning users log on at: www.nidhealth.org or Download the MHealth app for your android or apple device for secure convenient access.
- If you have questions about the Online Patient Portal, contact the Patient Portal line: **(208) 625-5554**

Once on the portal:

- Test results are located under ***RESULTS** with the lab name of **"SARS-CoV-2 (PCR)"**.
- Results are available to you as soon as they become available to our laboratory, typically within 24-48 hours.
