

VOLUNTEER OF THE YEAR 2020

It is always hard to find just one dedicated Volunteer to give special honors to.

This year was more difficult because, we had, special Volunteers, namely two

This Volunteer shows up extra days and seems to have those special abilities

Doing more than her share, learning & helping the Barista make coffee & tea

Then off to cash up the gift shop, back to the front desk to that position fill.

Making sure the baby bags have quilts she made, then hurry and pay the bills.

She is there to keep watch and cash up at the Parade of Trees event In December

She's at our bake sale selling treats, taking change, how on earth does she remember.

Off to her church to take care of finances before rushing to pick up a grandchild

One wonders does she take a breath, surely a job well done is on file

Congratulations to Debby Stutler, Volunteer of the Year

Hopefully this will make you smile.

Margo Johnson, Chairman

B.G.H. Volunteer Council
