Opportunity for FT Emergency Physician to join an independent, democratic group in a rural Emergency Medicine practice!

Lake Pend Oreille Emergency PLLC is a democratic, physician-owned partnership of emergency medicine physicians dedicated to providing the best in emergency care, management and staffing for rural hospitals in north Idaho.

The primary site is a newly remodeled 12 bed Critical Access Hospital (Bonner General Health), level 4 trauma facility, with excellent on-call primary care staff, 24 hr in house radiology imaging and diagnostic lab support.

- ED volume is 11k with an-on site immediate care seeing an additional 8k.
- Admit rate is 15-17%.
- Single physician 24-hour coverage.
- Flexible scheduling of 8 and 12 hour shifts depending on the season, 25-28 doc hrs/day. Minimum 123 hrs/month for partnership track.
- ED ultrasound program utilizing the new GE ultrasound equipment.
- Level II Trauma, Comprehensive STEMI, STROKE Center care 20-30 minutes away via rotary wing or 60-90 minutes via ground transport.
- Paid malpractice 2M/4M coverage.
- Competitive hourly compensation.
- Partnership consideration following 12-14months full-time.
- Partners eligible for 401k self directed retirement plan and CME reimbursement.

### **Community:**

Sandpoint, Idaho was named the nation's "Most Beautiful Small Town" by Rand McNally and USA Today in 2011. Sandpoint lies on the shores of Idaho's largest lake, 43-mile-long Lake Pend Oreille, and is surrounded by three major mountain ranges, the Selkirk, Cabinet and Bitterroot ranges. It is home to Schweitzer Mountain Resort, Idaho's largest ski resort. Sandpoint is a safe, family friendly community. The location provides outdoor enthusiasts with the perfect base to enjoy four season recreational opportunities. <https://visitsandpoint.com>
