

# FAMILY FUN RUN

5K • Superhero 1K • Family Friendly After Party

Saturday, June 13, 2026

Become an event sponsor of the annual Find Your Strength Family Fun Run hosted by the Bonner General Health Foundation!

Our superhero-themed 5k & 1k will start and finish at Sandpoint City Beach and run down the beautiful Sand Creek trail. The run concludes with a family fun after-party at City Beach. The 5k race will start at 10am and the 1k will start at 11am with an after party from 11am-1pm.

The funds raised during our community run will go towards our Hometown Health Grants initiative. This program identifies needs within our hospital as introduced by department managers.

Every department is offered a chance to apply for one or multiple projects if needed. We had a record year in 2023 with over \$50,000 being awarded amongst ten applicants. Crucial equipment such as vital monitors and state of the art microscopes to better serve the patients at Bonner General Hospital are examples of grants awarded.

A few awarded projects from 2025 include:

- **Poison Prevention Program:** For a second year this program was offered to our area elementary schools educating our youth about common poisons and ways to identify and avoid them.
- **Rock Steady Boxing:** This program allows participants with Parkinson's disease work on core strength, balance and cognitive training, with trained coaches. The funding provided for the purchase of more punching bags and Juke stirrs.
- **Reach Out and Read:** The Family Practice Clinic started this program to help ensure every child has the health foundation they need – cognitively, socially, and emotionally. During well-child visits, providers start the visit by giving the child a new, developmentally appropriate book to take home.

Attached, you will find our sponsorship tiers and benefits. If your company is interested in being an event sponsor, please get in touch with us at [foundation@bonnergeneral.org](mailto:foundation@bonnergeneral.org). Sponsorships are due May 16.
